Commissioner for Patents

Response to Applicants' Amendment

The Response to the Election/Restriction requirement filed 09/14/05 and Preliminary amendment filed on 04/25/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The Applicants' reply does not comply with 37 C.F.R. 1.21 because in the Response to Election/Restriction it has claims 1, 4, 8-11, 14, 17, 18, 20-31, 34, 35, 37-41, 43-45, 48, 49, 51, and 55-57 listed as "previously presented". These claims should be listed as "Previously Amended". Claim 53 is listed as "Previously Presented". This claim should be listed as "Original". See 37 C.F.R. 1.121. Claim 52 was amended during the Election/Restriction requirement to depend on claim 1 which did not originally depend on claim 1 which was not apart of Group I, claims 1-51. It is considered improper to change the claim dependency without the originally elected claims (though they were elected with traverse) being examined on the merits. Once the elected claims have been examined on the merits, Applicants' can make amendments to change the claim dependency and any other amendments to the claims. MPEP 8.22 clearly reads, "Applicant is advised that the reply to this requirement to be complete must include an election of the invention (interpreted as one group of claims) to be examined even though the requirement be traversed (37 CFR 1.143)". Nothing is mentioned in the MPEP regarding amending the claims after a restriction has been applied to the groups of claims prior to an examination of the elected group of claims with or without traverse. Since the above mentioned reply appears to be *bona fide*, the Applicants' are given a time period of **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is

longer, within which to supply the omission or correction in order to avoid abandonment.

Extensions of this time period maybe granted under 37 C.F.R. 1.136 (a). This action is

NON-FINAL.
